Transfer to New

If user chooses "yes", he will be brought to start a new MVPD record. In the new record, "MVPD Display Name", everything in "MVPD Logos" tab, and everything in "Entitlements" tab will be copied from the old record. In the new "Entitlements" tab, only the entitlements selection is copied. None of the entitlements are whitelisted.

The screenshot shows the 'ENTITLED STAGING MVPDS' table with a dropdown menu open for the 'PLATFORM' column of the first row (Amazon FireTV). The dropdown options are 'All', 'Amazon Fire TV', and 'Android'. A yellow confirmation dialog is overlaid on the table, asking: 'Are you sure you want to remove Amzone FireTV from whitelist in Staging for all partners?'. The dialog has 'Yes' and 'Cancel' buttons.
